Do you enjoy riding your ATV on our local trails?

The Ammonoosuc Valley ATV Club is seeking to increase our membership. **We need your help!** Our Club keeps the local ATV trails maintained, and safe for the enjoyment of everyone. We sponsor some fund raising events (raffles, poker run), cookouts and group rides.

If we don't increase our membership we will have to stop maintaining the **Black Mount ATV Trail** from North Haverhill to Woodsville, and the **Ammonoosuc Rail Trail** from Woodsville to Littleton and the state could close the trails and remove them from the list of available ATV trails. Don't let this happen! Keep the sport of ATV alive in our hometown!

Check out our website www.avatv.org for information about our club. The ATV Club meets on the second Tuesday of each month at 7:00 PM in the Haverhill Town Building in North Haverhill.
